

Production Transcript for **26INTCUTKF - CSC**

[00:00:32.500]>>The Korn Ferry Tour proudly present the Korn Ferry Tour finals and live first round coverage of the Compliance Solutions Championship, now in its 4th year on the Korn Ferry Tour schedule.

[00:00:45.100]>>2nd year is one of the 4 season ending Korn Ferry Tour finals events. 2nd year here at the Patriot just outside of downtown Tulsa.

[00:00:54.610]>>On an iffy weather day to kick things off, gonna improve as we move on throughout the week, but dodging storms as you tend to do this time of year.

[00:01:04.710]>>In this part of the world, see where the Patriot Golf Club is a lot of history, a lot of history, a lot of reverence on this piece of property. Korn Ferry Tour players a season ago loved coming here. We saw record scoring.

[00:01:16.400]>>A year ago expecting much of the same here with these conditions been a little bit more dry in the area, actually getting some rain this week, much needed for those locals, par 71 last year, that of course changed this year to par 70. Yeah, one of the courses on the Korn Ferry Tour that has a lot of elevation built in an old quarry, architect Robert.

[00:01:34.100]>>Trent Jones Junior, and as you can see the 18 hole record from last year, Davis Chatfield shot 59 in the first round. Adrien Dumont de Chassart won by 7 at 33 under par. That might be a little higher this year considering we went to a par 70.

[00:01:53.530]>>And James, how about 5 par 3s at the Patriot today? None playing over 200 yards. That is a rarity in pro golf. Are we in America? Hey, that's, uh, we, we in Europe somewhere. That's fun for these players and something fun for Cole Hammer.

[00:02:18.690]>>Go.

[00:02:22.110]>>Yep, that's straight at it there. Gilligan, he's had an inconsistent year, only 13 of 22 cuts, but whenever he does make a cut, top 10, 62% of the time.

[00:02:34.000]>>Let's go to the

[00:02:35.560]>>9th and Carson Young a little more than he wanted to try to finish things off with a closing 3 in a round of 63.

[00:02:45.740]>>It's a good save

[00:02:47.820]>>And a great start

[00:02:49.590]>>Young out of the gate 63.

[00:02:52.190]>>30 out of the gate and has kept it going on his second nine, the front nine here at the Patriot. Expect to see low numbers. That's the name of the game this week in Oklahoma. We had record breaking scores a year ago and in soft conditions.

[00:03:05.970]>>Expect the same.

[00:03:10.830]>>Here's the 12th, Gilligan.

[00:03:17.580]>>Yeah, walked it in.

[00:03:21.190]>>Yeah, you'd think this is a course that suits him, hits it 1 mile, top 15 in distance on the Korn Ferry Tour, but not great in accuracy, and this is one of the, the courses that has wider fairways than the typical Korn Ferry Tour course.

[00:03:37.390]>>Here's Blades finishing things up. Great par save there at the 9th.

[00:03:40.990]>>Another low round. I, I will say this about Blades Brown is there are players where it takes a little bit of time to get comfortable going low as a pro golfer. He has never battled that.

[00:03:56.400]>>I know that.

[00:04:08.440]>>Yeah, that is a good student right there.

[00:04:11.900]>>After leaving the putt at the last about 8 ft short, perfect pace, and that was a perfect putt from Robbie Shelton.

[00:04:22.510]>>You're short 14. James, you remember this is that wild fairway that kind of, that kind of banks on both sides. Can't see it from the tee. That is ideal. Such a good iron player as well, sure.

[00:04:37.940]>>I'd say this is the birdie putt you won at 14, sure trying to get it back to level. That'll do. Yeah sure, has played great in this event, 4th, a couple of years ago at a different course and top 10 last year here.

[00:04:54.290]>>Forte able to knock that in for par. Great opening round 63. So he joins the crew atop the leaderboard.

[00:05:21.780]>>Moldovan

[00:05:23.160]>>They're gonna push up this board just to get to 7 under stays really hot with the putter.

[00:05:30.680]>>A nod to the gods and

[00:05:32.610]>>He joins the crew at 7 Under.

[00:05:37.780]>>Gilligan trying to navigate this for another birdie.

[00:05:42.690]>>That is very makeable inside the right, and Gilligan has been putting strong today.

[00:05:49.930]>>Yeah, just a confident young kid, just 23 years old.

[00:05:55.830]>>Hm?

[00:06:00.280]>>Back here with Maxwell Moldovan.

[00:06:03.110]>>The hill

[00:06:09.520]>>And that was actually for his part drove it in trouble.

[00:06:12.350]>>At the 8, so

[00:06:14.700]>>3 ft or so left for Bogey.

[00:06:22.540]>>Yep. Alright, tee from that lower level to his bogey.

[00:06:31.110]>>Up at 18 Austin Hitt.

[00:06:33.640]>>Just this grouping's 1st 9 holes.

[00:06:36.640]>>You could go 5 yards long here and bring it all the way back down onto the green. No need for it, if you've got a perfect number, beautiful shot there from Austin here.

[00:06:51.230]>>Now Hitt

[00:06:54.680]>>Oh boy, curls around and you mentioned it, James, everybody missing that putt high. Now we're just inside that line.

[00:07:11.690]>>Morrison, he went in there to 10 ft, about a walk of the year in terms of getting that card, 99% in terms of the probability.

[00:07:23.690]>>Uh

[00:07:37.720]>>You're sure

[00:07:43.640]>>Yeah, that's a big eagle. Needed it, had not had much going in this opening round, and that changes everything.

[00:07:51.730]>>Huge smile on his face, so he should.

[00:07:55.020]>>How about that bounce back after the horrid double bogey on the short par 3 at 17, Birdie eagle.

[00:08:04.660]>>Now Hitt

[00:08:07.850]>>It's a really nice up and in

[00:08:09.670]>>Really awkward spot, you know.

[00:08:12.350]>>Filthy left of this green, wet zoysia.

[00:08:20.780]>>Back here at the 16th, Francoeur Opportunity.

[00:08:26.500]>>For Birdie and needs it, just one under on the day.

[00:08:30.350]>>Yeah, that's a perfect read.

[00:08:32.310]>>Look out for Francoeur if he makes putts.

[00:08:35.540]>>Very

[00:08:37.290]>>Underrated ball striker.

[00:08:41.080]>>Cover to 18 Drew Nesbitt.

[00:08:45.850]>>It's been an interesting season for Nesbitt, the 31 year old.

[00:08:50.990]>>Had some very good, got the win at the Memorial Health Championship and has had the not so good as missed a boatload of cuts. Nice birdie there.

[00:09:04.830]>>Here's Kozan at 18. Great read, good roll.

[00:09:09.050]>>Kozan, one of those guys that always finds a way in contention when he gets to the finals.

[00:09:16.130]>>A lot of big names, James, needing.

[00:09:18.850]>>Really solid weeks here in Oklahoma and Richmond next week. Justin saw one of those names that just hasn't had the right form this year. Move in today. Good putt there.

[00:09:35.600]>>Double what Davis Shore's done over the last half hour.

[00:09:39.760]>>Peter on par 4. Far left flag. Yeah, that's gonna be.

[00:09:46.440]>>Another great one from Shaw. How about this run? Great opportunity here.

[00:09:53.420]>>Stay here for Utah.

[00:10:01.590]>>Uh, a little more of what we saw a few weeks ago, Amelia with the approach shots, that was really nice.

[00:10:16.620]>>Sure, Birdie here.

[00:10:27.230]>>Now Utah, this is as good a look as you're gonna see it too.

[00:10:32.060]>>back-to-back. OK, that's the form we saw when we got these finals going from.

[00:10:40.360]>>Young man from Japan

[00:10:47.710]>>Morrison after that.

[00:10:50.500]>>Miss at the 1st, good birdie there at #2.

[00:10:55.290]>>Choke on, I mean, yeah, just like Hanwood.

[00:10:59.600]>>Rod

[00:11:06.130]>>And the shore knocks in another birdie. Look at this run he's been on.

[00:11:11.160]>>OK

[00:11:19.660]>>Right now the youngsters making moves. How about a 19-year-old in Blades Brown? I mean he is just inches, James, away from that PGA Tour card. He's played his best golf this season on the PGA Tour. Blades with that 7 under 63. Yep, he's had some good results out here on the Korn Ferry Tour, just hasn't got it done on Sunday, but still right there with a chance to get a PGA Tour card, you would think, Shane, and.

[00:11:43.000]>>And what a day we have had here at the Patriot Golf Club. Scoring average close to 3 under par. Are we gonna see a 7 undercut again after tomorrow?

[00:11:58.980]>>It is Friday at the Compliance Solutions Championship. Our leader, man, that one, the last event on the Korn Ferry Tour, Sandy Scott, is continuing this red hot play

as of late. 28-year-old from Nairn, Scotland, second on the points list entering the week, and a dart there at the 9th, unable to convert it, but a 64. How about his 9th round, James, of 65 or lower in his last.

[00:12:23.190]>>12 rounds on the Korn Ferry Tour. He's averaging what, just under 4 under under par. I mean that is incredible. He's the hottest man on earth right now. 61 in the opening round for Sandy Scott and our leader here in Oklahoma. Golf course as gettable as it was a year ago. First time seeing it back in 2025, the Patriot Golf Club.

[00:12:45.720]>>A fixture here in the Tulsa area. Great golf course. A lot of fun to watch the players go out there and rip this place up. We saw Davis and Lamb shoot 61 today, 62 is a day ago. Jackson Buchanan, one of those players that was.

[00:13:00.720]>>Red hot on Thursday to the same today. Nobody touching that 59 number we saw from Davis Chatfield last year.

[00:13:12.010]>>Back here at the Compliance Solutions Championship, a good one and this crew just getting their day going.

[00:13:18.750]>>Important for Goodwin to have good distance control to be able to get it on that right slope, work it towards the flag.

[00:13:25.740]>>Just a

[00:13:27.510]>>Really well played shot using the slope, this is a, a brutal hole location.

[00:13:34.320]>>Galletti being a lefty, this should actually suit his direction because he can hit a cut against the left to right wind.

[00:13:42.010]>>Saying up for what looked like a draw.

[00:13:47.540]>>Oh, look out here, here we go now, that might even get better than the other two, it did, look at that. Further from the target and uh thanks boys, I've got a better 4 footer.

[00:14:05.940]>>Good teach there for Goodwin.

[00:14:12.110]>>That's the dream start.

[00:14:20.050]>>Galletti just a couple feet away here at 11.

[00:14:26.580]>>Thank you.

[00:14:28.270]>>Nice cushion for these guys considering.

[00:14:32.340]>>Look, the cut was 7 under here last year, totally different conditions.

[00:14:45.280]>>

[00:14:50.320]>>No.

[00:14:52.360]>>Really close to being good.

[00:14:57.130]>>It's again, just that wind direction sometimes knocking a wedge down a little bit.

[00:15:03.770]>>Now Galletti

[00:15:09.720]>>Do another one? Sure.

[00:15:13.600]>>Pretty snazzy start for Galletti after the par at the 10th.

[00:15:18.950]>>He didn't miss a shot on this, I know he came up short, but he loved the approach and gets a birdie anyway.

[00:15:30.170]>>That is surprised, I thought he might have gone out to the front of the green.

[00:15:42.630]>>Here's Blades now the 4th shot, so just trying to get out of this difficult par 4 with the bogey that was.

[00:15:48.740]>>Nifty, that was saucy.

[00:15:55.730]>>Blades, this for bogey. OK, good save.

[00:16:00.680]>>Yeah, hardest hole on the course out here in round 2, make a bogey, that's OK after not a good second.

[00:16:10.880]>>Now Rick Lamb, he's been loitering around top of leader boards in the last month.

[00:16:17.100]>>Really needs a good week, that's gonna help. You can see projected 66 on the points list.

[00:16:24.180]>>Definitely making it to the weekend right there in contention.

[00:16:38.560]>>That is difficult. We've got a birdie from Del Solar, he needed it. Well, and, and you know I love a good psycho scorecard. This is like a, a beautiful start to one.

[00:16:48.490]>>Right.

[00:16:53.060]>>Pierce Goodwin after a big tee shot.

[00:16:57.000]>>Playing this more towards the left side where he should be, that's from 2:30 and gonna get better by the second. A guy that he's knocked short off the tee, but that was pushed out there.

[00:17:18.750]>>Good one now for Eagle. Oh, how about it? Great 3 here at the 15.

[00:17:27.300]>>Looks comfortable for a guy that started the the day needing a good one to make the weekend considering where he is on the points list as well.

[00:17:44.650]>>Blades able to roll that one in, but needs to get going in the 2nd round. You shoot 63 and a couple over.

[00:17:53.570]>>In this round, excuse me, 3 over in this round, I mean, he's got to start to think about the cut.

[00:18:02.650]>>Hayden Buckley at the first.

[00:18:05.380]>>Needs to start making a push. Doesn't want to get to those last few holes needing a birdie.

[00:18:13.390]>>Oh

[00:18:14.860]>>It was a perfect number. I thought it was just on the front edge, yeah, just front edge, yeah.

[00:18:22.600]>>Now Del Solar is gonna need to shoot some sub 30 likely on this front nine.

[00:18:29.170]>>If there's one guy that can do it, it's Del Solar, the guy that shot 57 on the Korn Ferry Tour a couple of years ago.

[00:18:42.450]>>Del Solar

[00:18:44.080]>>Get up and in after a ho-hum approach.

[00:18:49.370]>>It's gotta find 4 more.

[00:18:55.040]>>Back to the first, Buckley, good birdie, a little breathing room now.

[00:19:03.860]>>And a great season to this point. 7 cards handed out.

[00:19:08.280]>>13 left. This man is so close to

[00:19:12.320]>>Being declared tour bound, but 99% James is not 100%. Learned that in college. How about that shot?

[00:19:24.840]>>Brown needs something. It's been a while since he's seen one go down.

[00:19:31.310]>>OK, there we go. We talked a little bit about the, the slight deficiencies in his game, James. One thing Blades has done in his short career, he stays very patient and in rounds even when it's not going his way.

[00:19:59.190]>>Checking the adventures of Del Solar. Been an up-and-down day. Been an up-and-down season.

[00:20:06.110]>>And another one drops in, so the

[00:20:09.870]>>wild ride that is the Del Solar show on this Friday continues.

[00:20:15.130]>>He's making the moves, James.

[00:20:23.230]>>Buckley paying off that approach at 3.

[00:20:39.910]>>Needs to get to 7 under, OK.

[00:20:45.530]>>That's a couple of birdies now, 3 in a row.

[00:20:49.660]>>I think you have it figured out.

[00:20:52.140]>>Here's Young after that beautiful approach. This has been the key to his success over the last couple of weeks. This putter led that statistic after round one.

[00:21:04.670]>>And a guy that was already a good putter on the Korn Ferry Tour and the PGA Tour throughout his career, had a blade putter, went to that, what is it, the turtle, that Odyssey?

[00:21:15.330]>>Carson Young slider to save his par.

[00:21:21.610]>>He's up and out of it early, but it's a rare miss for a guy that's

[00:21:26.840]>>Billy

[00:21:28.490]>>Proficient on the greens.

[00:21:32.640]>>Not Noah Goodwin, incredible look here for an eagle.

[00:21:40.460]>>Yeah. The Big Bird had a whole bunch of them to Amelia's point.

[00:21:46.290]>>Goodwin

[00:21:48.650]>>Pacing up this board, impressive golf came into the week fifty-ninth on the points list.

[00:21:57.580]>>Second eagle of his day. So Goodwin now 8 under par comfortably inside that cut number.

[00:22:03.420]>>Winding down our coverage here from the Patriot on a great Friday. Had a little bit of weather in the opening round, not the case today. Expecting a great weekend as all these players in the field, something to play for, movement to be had. They're all thinking the PGA Tour, but for some it's simply getting inside that top 60. Let's get to the Korn Ferry

Tour championship. All the players next week in Richmond will have an opportunity to win and get that PGA Tour card.

[00:22:44.170]>>It is Saturday at the Compliance Solutions Championship, and it is an incredible scoring Saturday here in Oklahoma. Right now, the average out on the golf course 65, 42, nearly 5 under par on this Saturday. Shane Bacon alongside James Nitties, Camilo Duran down on the grounds following our final grouping today. Brentley Romine.

[00:23:06.530]>>Be part of the coverage this week and next week. Interviews and tidbits on some of the players and talking some of the crazy scoring right now. Trent Phillips 5 under through 8 holes. Williams sides needing a big week.

[00:23:21.520]>>So Phillips beauty into this lengthy par 3 today, the 9th, 230, able to make 2. So Phillips, look at this front nine.

[00:23:35.230]>>Talking about players making moves on the Saturday, Robbie Shelton got off to a ridiculous start. That birdie there at 12 now, he's at 8 under par on the day. Eagle the first birdie 235, and 6. He was 6 under through 6 holes.

[00:23:50.070]>>Kick things off.

[00:23:54.640]>>Go up to the 11th young trying to get within 1.

[00:23:59.620]>>I mean, putts going in everywhere right now. Young, hot with that putter, as you mentioned, James.

[00:24:06.690]>>I mean he leads stroke strokes game putting for the week, he's picked up nearly 9 shots on the greens.

[00:24:15.430]>>Up to 15

[00:24:18.000]>>sides

[00:24:20.440]>>Nice 2 putt that gets him to 9 under and James, you'll like this. His great uncle Randy Hughes was a Super Bowl winning safety for the Dallas Cowboys, your football team. That's right. I saw this like little slope back to 12. Young just saw one go here.

[00:24:35.810]>>Big as a bucket right now for Carson, yeah, you called that James, no issues, no doubt.

[00:24:53.950]>>Here's Phillips

[00:24:57.600]>>Kind of a fadeaway wedge and it's perfect.

[00:25:01.100]>>Really good, controlled the spin nicely, forced it all the way back to that flag.

[00:25:09.880]>>All right, catching up with the hottest man on the golf course, Yuta Yuta Sugiura, a man out of Japan who has been a delight to watch over the last few weeks, James.

[00:25:21.880]>>I mean that's a really good shot.

[00:25:24.650]>>This is, is getting really close. That to get to 12 under on the day.

[00:25:31.350]>>The 8th hole is one of the hardest greens to find in regulation all week long.

[00:25:40.870]>>She's so bad. She never.

[00:25:43.410]>>Gotta move. Perfect in the middle and we got a little history brewing here in Oklahoma. Of course we have seen rounds sub 59 on the Korn Ferry Tour. Cristobal Del Solar a couple of years ago in Colombia shot 57 in the opening round. Stephan Jaeger shot 58 back in 2016. Just remarkable golf from Yuta.

[00:26:10.850]>>Everybody thinking what golf course is that guy playing? Phillips, able to convert that putt.

[00:26:16.740]>>Phillips has been stuck in neutral here, the last 3 holes a little bit, had a couple of opportunities and hasn't taken them and I mean especially the par 5 10th.

[00:26:35.300]>>Yeah.

[00:26:40.320]>>sides

[00:26:41.950]>>Another good iron shot.

[00:26:51.470]>>Good scoring all over the place. Sides, another birdie and another player with 59 in his sights. 10 under for the day. Now tied for the lead. PGA Tour University grad hasn't even played many events on the Korn Ferry Tour this year.

[00:27:11.360]>>And Sandy Scott, he was 15 under par through two rounds and our leader and finally something positive.

[00:27:18.460]>>For Scott, the 28 year old from Nairns, Scotland, who is tour bound, will be playing on the PGA Tour next season.

[00:27:29.200]>>Right now the focus on you to, can he make one more?

[00:27:41.100]>>Looks pretty good if it gets there.

[00:27:44.930]>>Well, he did what you said. Perfect line. Just needed a little bit more, but for Sugiura, that'll be a.

[00:27:51.060]>>Happen in a 58.

[00:28:01.280]>>But this moment belongs to Yuta.

[00:28:04.110]>>Making a move on this Saturday, 58 for Yuta.

[00:28:11.060]>>Improbable round of golf, all smiles. That is one to celebrate.

[00:28:17.940]>>Uh, Shane, he birdied 2 of his last 7 holes yesterday to make the cut by 1.

[00:28:25.320]>>And now he's one shot behind the lead.

[00:28:30.350]>>Carson Young did not like this approach at 14. Still trickled on the front. Good look here, has made everything today and continues to do so.

[00:28:40.020]>>Leading the field on the greens this week is Carson Young, and you're seeing why.

[00:28:49.240]>>Green light here for the left-hander ball a little below his feet, can hit that side wind up.

[00:28:59.700]>>On a speed, he likes it.

[00:29:02.970]>>So he should beauty straight at it.

[00:29:08.570]>>Here's Phillips, great look at 14 straight uphill.

[00:29:14.080]>>Was it out, walks it in.

[00:29:18.480]>>See to that first birdie of his back nine after that incredible start.

[00:29:25.900]>>Up to 18. This for round of 60 for our leading man on the points list, Ross Steelman. Wonderful round, Ross Steelman.

[00:29:37.260]>>This summer one to mimic if you're looking at what to do on the Korn Ferry Tour.

[00:29:46.340]>>Carson Young

[00:29:47.950]>>Cleaning this up, two-putt birdie.

[00:29:52.750]>>Young now to 9 under, so we have two golfers on the golf course right now at 9 under.

[00:30:02.660]>>15 Phillips, you mentioned it, big tee shot.

[00:30:08.320]>>But

[00:30:13.500]>>Well, that's gonna get close. That's a great shot here.

[00:30:16.490]>>Saddier

[00:30:17.650]>>Another good long iron for Phillips.

[00:30:24.510]>>Trent Phillips now at the 15th is to tie Young at 20 under par.

[00:30:29.080]>>Rolling it great in with speed. Phillips, Big Bird.

[00:30:35.700]>>Taking advantage of his distance here at the par 5 and now back on track, 2 eagles today.

[00:30:43.540]>>Here's Scott for Eagle

[00:30:45.950]>>After starting the day with a 1 shot lead this to get within 2.

[00:30:52.900]>>There we go, finally.

[00:30:55.340]>>The top comes off for Sandy Scott and to Amelia's point, still very much in this, James.

[00:31:06.760]>>Carson Young here.

[00:31:10.780]>>Oh, it was raw. Oh, I know what I mean. Quite something there.

[00:31:32.380]>>130 yards, call it gap wedge for Phillips.

[00:31:43.130]>>Beauty just another I mean right at it under the hole best we have seen.

[00:31:52.740]>>This for

[00:31:54.220]>>A closing birdie. Phillips, excellent approach, one of the best we've seen today and another round of 61. Trent Phillips takes the outright lead.

[00:32:05.420]>>Hm

[00:32:10.780]>>Now Scott

[00:32:13.660]>>I'm surprised out of this zoysia Fairways he's not chipping this. This one will turn to the right as it gets on the green.

[00:32:21.730]>>It's a good effort.

[00:32:28.550]>>Crow

[00:32:36.160]>>OK

[00:32:37.860]>>Trent Phillips, your leader, needing it. How about coming to the week 56, so the stress of staying there, now you're thinking about a PGA Tour card. Yeah, he was in this position last year, 31st on the points list coming into this event. He would just miss at

the end after a good two of championships to get a PGA Tour card. So yes, it hasn't been the ideal season for Trent Phillips, not what we thought we'd see from him in 2026, but he does have these feelings of being around the lead in these last finals events.

[00:33:21.310]>>It is the final round of the Compliance Solutions Championship from lovely Owasso, Oklahoma, just down the street from downtown Tulsa, the Patriot Golf Club, 2nd straight year hosting this penultimate event on the Korn Ferry Tour, and we got a bunch board, a whole bunch of players either fighting for the win for that top 20 position, or maybe just to sneak into the Korn Ferry Tour championship next week.

[00:33:44.470]>>I'm Shane Bacon joined as always by my guy James Nitties as Dallas Cowboys off to a slow start, but he's locked in for a little KFT Sunday golf. Amelia Doran down on the grounds following our final grouping today. Brentley Romine with us all week. He'll be with us next week as well.

[00:34:00.150]>>Tidbits and interviews and all that good stuff, go out to the man atop the points list, Ross Steelman.

[00:34:05.750]>>At his career low a day ago, James, instead of going with the putter, that's nice, a little bit of a slow start.

[00:34:13.240]>>I think a little more difficult in this final round, but still a lot of birdies available at the Patriot Golf Club. One of those crazy low rounds. Steelman shot 60 on Saturday, not even the best round. Sandy Scott, who hung around yesterday, this at 9 for birdie, par 3 playing a mile long. Sandy with a dart in there from 244, able to turn in 30, so he's right there atop the board once again, James.

[00:34:45.120]>>Chance for another one here at 9, Gaberlcik.

[00:34:47.890]>>Excellent tee shot. Can you pay it off? Oh yes.

[00:34:52.850]>>He gave up on it, but it's in now and.

[00:34:55.830]>>Presi, a man that just working on creating some more confidence.

[00:35:10.030]>>Back to Steelman for his birdie. Kind of wild considering he's tour bound and what he's done sitting atop the points list, rolling it like that as of late. This was a guy that was 105th on the points list in the middle of May. He went on a crazy run after that.

[00:35:27.740]>>Now Gaberlcik at the 10th beautiful pitch shot that's to tie the lead.

[00:35:32.810]>>No issues there, taking advantage of the par 5.

[00:35:40.310]>>Go back to the 10th just to tap in for sides and a nice 2 putt.

[00:35:45.770]>>Coming off that bogey at the lengthy par 3.

[00:35:49.620]>>Hanging in there, hanging in the fight.

[00:35:53.990]>>I go on with it.

[00:35:59.300]>>Steeleman at the 12th, perfect tee shot as well.

[00:36:03.940]>>I look out, easy.

[00:36:08.170]>>That's really well done.

[00:36:16.670]>>13th Sandy Scott just saw that great approach from Sugiura.

[00:36:21.790]>>There's a ton of slope right of it, so you can either do that, take a direct route, straight at it, or you can use it like Yuta did out to the right side.

[00:36:32.370]>>Well, we watched Steelman with a big tee shot, beautiful wedge underneath the hole, exactly where you want to be putting from, trying to get within one of the lead.

[00:36:41.040]>>Yeah, there we go. Steelman just continuing to fill it up and

[00:36:47.050]>>Ross Steelman been hanging around that promotion.

[00:36:54.320]>>One of the hottest players on the Korn Ferry Tour right here, Sandy Scott, beauty into 13, curling it in the right side.

[00:37:13.670]>>This might suit him, his flag. You do not have to take it at it a couple of yards right of it. Use a slope. And James, this is the guy that has shot his best round of his season back-to-back days, 63 on Friday, 61 a day ago, and that is one of the better ones we have seen today at 13. Go back to 13 sides, good tee shot here. Keep the speed up.

[00:37:37.820]>>Just like that, needed a couple of good putts, good rolls, confidence to head in his back nine stretch. How about those three birdies?

[00:37:51.350]>>Phillips after that, missing a tee shot.

[00:37:55.020]>>Yeah, great birdie.

[00:37:59.220]>>OK, 2 back.

[00:38:01.520]>>Also his firepower, the amount of birdies we know he can make.

[00:38:07.860]>>Now sides

[00:38:12.460]>>Sides needs to find a birdie coming home, projected sixty-second. Oh, that'll help. What a shot from the young man.

[00:38:22.060]>>I had to get within 2.

[00:38:29.450]>>Swanse

[00:38:31.830]>>Everyone goes in the side door, birdie at the tough par 4.

[00:38:40.060]>>Lengthy one here, Amelia.

[00:38:45.860]>>He's looked good from long range in this final round.

[00:38:52.420]>>It's a great pace

[00:38:54.330]>>Really good touch.

[00:38:57.190]>>Knowing that

[00:38:59.440]>>Have to birdie this par 5, especially after those two shots, and he's looked comfortable, we haven't seen him in this position this year.

[00:39:08.240]>>And he looks like he's very experienced, cool head.

[00:39:14.040]>>It's his life off the course, he's very.

[00:39:16.890]>>Straightforward, no nonsense guy, just nice and chill.

[00:39:25.020]>>Let's go to 15 sides just to tie the lead.

[00:39:28.820]>>And he does it, eagle at 15.

[00:39:32.550]>>And a man that looked like he was disappearing.

[00:39:35.840]>>That front nine.

[00:39:38.280]>>Putting together the best back of anybody today.

[00:39:45.850]>>This is Steelman for his birdie.

[00:39:50.520]>>Yeah, the rare 3 here at 16.

[00:39:54.340]>>One of the longest hitters on the Korn Ferry Tour, Ross Steelman.

[00:39:58.900]>>A to give himself an opportunity and pays it off.

[00:40:03.970]>>Up at 17, Gaberlcik and Amelia, it's one of those putts just tough to get it all the way.

[00:40:09.610]>>to this whole location, seeing a lot of players leave this short.

[00:40:16.180]>>It's time and time again, everybody hitting it to about that position. Gaberlcik, the 24-year-old came into the week, 35th on the points list, has played really consistent golf over the last couple of months. 9 straight made cuts, 5 top 25s in that stretch as we go back to 16 sides.

[00:40:35.040]>>Oh, he caught the collar.

[00:40:37.350]>>When it's your time, it's your time.

[00:40:42.020]>>About this back nine from sides.

[00:40:48.000]>>What about that break.

[00:40:51.130]>>Well that was going 15 ft by Shane.

[00:40:54.840]>>Not anymore, a birdie, you said it. Look at those circles on the back nine for the young man.

[00:41:01.730]>>Just an incredible dream back nine.

[00:41:05.510]>>So Gaberlcik, he's one back, see if he can save par here.

[00:41:10.300]>>He cannot, so three-putt 4.

[00:41:13.430]>>Gaberlcik and it's all looking sides way right now. 3 putt after an incredible save himself at 16.

[00:41:25.200]>>Back here at the 18th, Sandy Scott went off the lead.

[00:41:29.850]>>More than he wanted

[00:41:32.250]>>Gotta get it there. Oh, it looks great. Oh my goodness.

[00:41:37.620]>>A whisker away from a birdie and for Sandy Scott, incredible opening nine holes today shot 30 on his way out. Unfortunately just one birdie on this back 9, 64.

[00:41:53.310]>>Well

[00:41:54.690]>>You think about winning? Really, do you think about doing it where you grew up, native of Tulsa?

[00:42:00.590]>>We have sides.

[00:42:02.530]>>One stroke here for the victory.

[00:42:13.530]>>Close

[00:42:16.690]>>Is that gonna drop?

[00:42:20.210]>>Oh my.

[00:42:23.050]>>Hm

[00:42:24.870]>>So a bogey at the last for sides.

[00:42:29.080]>>Aaron Tee shot and Shocker here at the 18. Everybody hitting this fairway.

[00:42:38.270]>>And for sides there will be more golf even with that bogey. James, he breaks 30 on this back nine.

[00:42:48.310]>>Gotta believe his caddie Matthew Smith right now, he's like you would've taken this in a heartbeat at the start of the week to be in this position. Let's go back to that team and win this tournament.

[00:43:02.490]>>Still playing the same rules, preferred lies back here at the Patriot Golf, a little bonus golf on a Sunday. We're going to come back here again on the holes they're going to play 12, 17, 18.

[00:43:13.440]>>Any questions? No. Both these players finishing 24 under par for the week. Scott got off to a great start, 61 in the opening round, 64, 67, 64 sides, 64 on Thursday, 68 career best 60 on Saturday, 64 today, Amelia, and here we go at 18.

[00:43:39.800]>>Really good.

[00:43:41.630]>>This one might even sneak down that left side, cut off a lot of distance. It's carbon copy of what he did in regulation, perfect.

[00:43:55.150]>>Hi

[00:43:56.700]>>Much better. He teeth that one down low Shane, really confidence, confident swing there considering he flared that first one in regulation. Got lucky but flared it 20 yards right at the fairway. Can you see O'Brien bowls? I talk about you all the time.

[00:44:14.000]>>This flag is in a tiny bowl. Sides can be aggressive with this shot. 164 hole.

[00:44:22.290]>>So

[00:44:24.000]>>Great line. A tremendous line.

[00:44:31.700]>>A great look for birdie.

[00:44:37.180]>>What a way to forget what you just did in regulation. Two of his best back-to-back swings of the day, Shane, he came in this playoff against Sandy Scott. Put the pressure on the veteran, now Scott. It's an 8 iron.

[00:44:51.900]>>Remember he came off a little short with 7 on.

[00:44:59.110]>>

[00:45:02.040]>>Similar to what we saw in regulation, the good news for Sandy Scott is he had that putt and just about holed it.

[00:45:16.860]>>On a good line if it gets there.

[00:45:19.540]>>Yeah, yeah, perfectly.

[00:45:22.100]>>So the stage now set once again.

[00:45:25.500]>>James, you know it in pro golf, you rarely get a couple of cracks at a victory first in.

[00:45:31.610]>>Today's Korn Ferry Tour.

[00:45:35.240]>>Williams sides could have a look.

[00:45:45.270]>>Cannot convert it.

[00:45:49.510]>>Back to the 18th once again.

[00:45:55.800]>>So remember the putt he had in regulation moved to the left, that one a little bit further over to the right, that moved the other way, so even I was confused and now we go back to the 18th tee again.

[00:46:24.030]>>Yeah

[00:46:26.640]>>I like that play. I mean he hit two perfect shots previous 2 times and got nothing out of it. Finally went back to the 7 iron and flirited, getting it to the back and it was a good swing.

[00:46:39.110]>>Now the pressure on sides.

[00:46:46.010]>>Get all over it

[00:46:48.940]>>Well, it's enough.

[00:46:50.970]>>He's improving every swing at 18.

[00:46:57.360]>>tee

[00:46:59.450]>>Looking really good if it gets there.

[00:47:05.820]>>Oh, just creeps right.

[00:47:11.060]>>Almost identical with the putt sides hit to win in regulation. So Sandy Scott a par and

[00:47:18.910]>>2nd straight playoff hole, stage is clear for Williams' sides.

[00:47:30.510]>>No, no.

[00:47:32.770]>>Green has not been kind to sides.

[00:47:37.130]>>He's had excellent opportunities and the Par putt for both these players.

[00:47:44.810]>>Now they will head over to 17, the par 3.

[00:47:56.770]>>Ko rest of line

[00:48:01.160]>>And a great shot.

[00:48:13.250]>>Go get back to go watch.

[00:48:16.650]>>Alex it.

[00:48:18.260]>>Oh, see him using the right side of the tee just to use that left to right area, hit a fade in there, and that's two beauties of really, as far as the twosome goes, the closest we've seen out of a group.

[00:48:41.560]>>Come on. His best stroke. So for the first time in this playoffs, Sandy Scott's gonna have a putt for the win.

[00:49:04.670]>>And that one could have missed right and we are seeing a boatload of cars and some tentative strokes from these players in this playoff.

[00:49:15.710]>>Science is still alive.

[00:49:22.040]>>Surprising, usually when he has an open door, Sandy Scott's the type of guy to just burst through it and take that opportunity.

[00:49:32.680]>>Back to the 18th, Shane.

[00:49:43.350]>>157 and that one headed.

[00:49:47.580]>>Well left

[00:49:50.650]>>Might have crept in the bunker. I think it's still just in. Zoysia you're just out, that is.

[00:49:58.220]>>Maybe in the middle of the bunker there next to the oh wow goodness it plugged against the lip and that a great shot but not the break he was looking for that would be.

[00:50:11.600]>>Very tricky

[00:50:14.160]>>Perfect angle for Scott as well. 150. He can take it right at it.

[00:50:24.230]>>Now

[00:50:27.410]>>OK, just had this putt, keeps hitting in the same spots, James. I don't think he's missed a shot in the last 4 times he's played this 18th hole.

[00:50:48.580]>>Well done. Creative.

[00:50:52.560]>>Giving himself an opportunity.

[00:50:54.820]>>A real good look at saving Paul.

[00:51:03.760]>>So now, Sandy Scott, another look.

[00:51:10.710]>>Looking really good, right in the center.

[00:51:14.490]>>You give the man a couple of opportunities and he's gonna take it. The Korn Ferry Tour right now belongs to Sandy Scott, back-to-back.

[00:51:22.890]>>Here in Oklahoma

[00:51:25.290]>>Well you just had that feeling, didn't you Shane? You give him that read once, he's not gonna miss twice and he has just been a killer on the Korn Ferry Tour over the last month.

[00:51:38.040]>>Sandy Scott after the win in Columbus, a win here at the Compliance Solutions Championship, already there as the playoff continued on. Williams side's not gonna get the victory but will get an invite to next week. I'll have an opportunity to keep this momentum going.

[00:51:54.910]>>Updated standings with Sandy Scott at top, but it's gonna be a fight in Richmond with Ross and Sandy, 1 and 2. Sandy Scott said how he was gonna celebrate after he won the event last time. A lot of beers, a lot of beers. I don't think that's gonna happen this time, Shane, but what a week that you go 2nd, 1st, first for the Scotsman, and he's deserved it because he has just played outstanding.
