# PGA TOUR COMPETITIONS OVERVIEW OF CHANGES FOR 2026

**EXEMPT STATUS** Exempt status for 2026 changes from top 125 to top 100 on the prior season's FedExCup Points List.

Players finishing between Nos. 101-150 will have conditional status and be broken into three different categories on the Priority Ranking: 101-110, 111-125 and 126-150. These three categories will have varying levels of access to Full-Field Events.

**FIELD SIZES** Beginning in 2026, the maximum number of players in a Full-Field Event will be 144 players\*, down from 156. Due to circumstances such as limited daylight, some events will have field sizes of 120 or 132.

\*The American Express, played on three courses, and the Genesis Scottish Open, co-sanctioned with the DP World Tour, maintain a field size of 156.

THE PLAYERS Championship field size will be 120 beginning in 2026.

These reductions in field sizes will have a positive impact on Speed of Play through a better flow of play on the golf course.

**SPONSOR EXEMPTIONS** Sponsor exemptions restricted to players in the DP World Tour/Korn Ferry Tour/Q-School category as well as those restricted to PGA TOUR members have been removed and reallocated to the next eligible members on the Priority Ranking.

**NOTE:** There are no changes to unrestricted sponsor exemptions, which are typically a standard of four.

**OPEN QUALIFYING** Open Qualifying spots have been eliminated for Full-Field Events with fields of 120 and reduced to two for fields of 132. Fields of 144, which make up the majority of Full-Field Events, maintain four Open Qualifying spots. There are no changes to Open Qualifying for Opposite Events and the FedExCup Fall, which maintain four spots.

In total, there are six events affected by the changes to Open Qualifying (reduction of 17 spots over the course of the season):

| Tournament                    | 2026 field size | 2026 OQ spots |
|-------------------------------|-----------------|---------------|
| Sony Open in Hawaii           | 120             | None          |
| WM Phoenix Open               | 120             | None          |
| Cognizant Classic             | 120             | None          |

| Valero Texas Open             | 132             | 2             |

**DP WORLD TOUR/KORN FERRY TOUR/Q-SCHOOL** As a result of these changes, players who receive their cards via the Korn Ferry Tour/DP World Tour/Q-School have exempt access to Full-Field Events.

| Tour/Pathway      | 2026 PGA TOUR cards available     |
|-------------------|-----------------------------------|
| DP World Tour     | 10 (no change)                    |
| Korn Ferry Tour   | 20 (down from 30)                 |
| PGA TOUR Q-School | 5 (rather than top five and ties) |

**2026 PRIORITY RANKING** The restructured Priority Ranking delivers fair and equitable playing opportunities for all who earn exempt status on the PGA TOUR.

Categories in **BOLD** are considered to have a PGA TOUR card in 2026 (thru Life Members), with conditional status for the remainder of the categories (beginning with Nos. 101-110).
